Declaration of Conformity
Broadcast Receivers and Associated Equipment

The Products Covered by this Declaration:

CS3000, CS4000, CS4080HZ
CC2800, CC4000

These products are the same basic design using the same power supply, but with different voltage transformer and output power levels.

The Basis on which Conformity is being declared:

The products identified above comply with safety & EMC requirements by meeting the following standards:

- UL6500 Second Edition 1999
- IEC60065-00 Sixth Edition
- EN55103-2 (EUT was CC4000)
- Tested by Under Writers Laboratories in Research Triangle Park, NC

The technical documentation required to demonstrate that these products meets the requirements of this safety standard has been compiled by the signatory below and is available for inspection by the relevant enforcement authorities.

Authority: Peavey Electronics Corporation
5022 Hartley Peavey Drive
Meridian, MS 39301 USA

Signature: 

Doug Ishee
Product Safety & Certification Engineer

Date: 07/09/2007

The attention of the specifier, purchaser, installer or user is drawn to special measures and limitations to use, which must be observed when product is taken into service to maintain compliance with the above standards. Details of these special measures and limitations are in the product manual.
